

Permit Policy for Special Events

The Permit Policy was adopted by Full Council at its Meeting held on 5 September 2017.

Several of the Parish Council's parks and Open Spaces are available to rent for special events and many events already occur on an annual basis.

In the first instance the applicant needs to complete and return the Initial Enquiry Form below and return to Parish Council in order to check the suitability of your event and availability of the preferred location. The Clerk has delegated powers to authorise regular events, all other applications will be decided by Full Council at its monthly meetings held on the first Tuesday in the month.

Once confirmed, you will then be sent a **full application** which must be completed and returned **at least 28 days before** your event takes place, so please ensure you return the completed initial enquiry form in good time to allow this. Please refer to the guidance notes and terms and conditions above for more information about special events.

Our definition of a Special Event is any activity on land owned, leased or managed by Hazlemere Parish Council that one or more of the following that applies;

- In excess of 20 people
- The event generates income from the general public (ticket sales etc.) i.e. a charge to attend
- A temporary structure is going to be erected at the event (Gazebo, fence, shelter, tent, chairs, tables, rest area etc)
- Vehicle access or parking on land is required (other than in designated car parks)
- Sale of alcohol or food will be undertaken
- Food will be cooked and served (BBQ's please see special conditions)
- Entertainment, including marching bands, art, dancers etc
- Charitable collecting of money will be undertaken

If your event is taking place **after 6pm** and **before 8am** regardless of whether any of the above applies, you **must** notify us.

Commercial Event	Event organisers are a profit making organisation, the event is planned to generate an income that is for the benefit of the organiser or another commercial organisation. This includes traditional travelling fairs with multiple rides and stalls where charges are made for users to attend / take part.
Not for Profit/Charitable	Event organisers are a registered charity or are substantially supporting a registered charity. The event may generate an income however all profits are to be used for community projects or for charitable purposes. Event organisers must be able to supply event accounts and the registered Charity Number.

Event Guidance Notes

Introduction

This guidance has been designed to provide information to organisations wishing to arrange an event at a Hazlemere Parish Council managed venue. The forms contained within the pack can be used for all events regardless of size; however some parts may not be relevant for smaller events.

The guide gives general advice that should be used when arranging any type of event. However, it must be remembered that events can be very diverse, ranging from a sports event to a large fete and therefore this guidance cannot be considered exhaustive. It is likely that additional guidance will be required for specialist events and larger scale activities. (In particular, Fun Fairs have specific Licence Conditions).

Should you consider that more information is required there are many national associations and clubs who may be able to offer advice on specific types of event.

Risk assessment

Please remember that organisers of events have a legal responsibility to ensure the Health, Safety and Welfare of any employees, volunteer helpers or contractors involved in arranging the event and to the public and participants attending. This should be ensured by carrying out a detailed risk assessment. All hazards associated with the event should be identified, the level of risk assessed and appropriate action taken to reduce these risks to an acceptable level. All events must comply with recognised safety standards and you must take all reasonable precautions to ensure the event takes place safely.

A formal record should be kept of the risk assessments. Completed forms should be retained for future reference.

Where the event consists of more than one attraction (e.g. a summer fete that includes stalls and children's entertainment activities) a written risk assessment may be necessary for each activity. In these circumstances.

Any contractors involved in the event should also carry out risk assessments. Where relevant, you should obtain copies of these.

More information regarding risk assessments can be obtained from the Health and Safety Executive (HSE) publications at HSE information Centre, Broad Lane, Sheffield, S3 7HQ. Tel: 01787 881165.

Planning an Event

When planning any event there should be a named organiser identified at the earliest opportunity. For larger events, a detailed management structure should be drawn up formally identifying who is responsible and for what.

Effective planning will identify, eliminate and control hazards and risks. The amount of time that needs to be set aside for planning will very much depend upon the size, type and duration of the event, but start early! Listed below are the recommended phases of planning the event.

Your event will need a satisfactory Event Management Plan (this could also be condition on a premises licence). The plan will include the named management structure and areas of responsibility.

The plan must follow the structure of 'The Purple Guide', you will need to subscribe to access it www.thepurpleguide.co.uk

Licensable activities: if you want to serve or sell alcohol, provide late-night refreshment, or put on regulated entertainment, you'll need a licence: <https://www.gov.uk/alcohol-licensing>
